

- If you meet qualification requirements, your application will be given immediate attention. You could be one of the first among your classmates to own a MUT student card!

FINANCIAL MATTERS

Did you know you can afford to study at MUT?

Providing access to academically excelling students is our main objective, and we believe your financial circumstances should never stand in the way. That is why MUT offers the most competitive tuition fee structure, ranging between R4 530 and R15 350 per semester depending on the course and subjects. Our financial aid resources and policies ensure that MUT is affordable for all prospective students.

MUT BRIEFLY

Mangosuthu University of Technology (MUT) is uniquely located in a semi-urban setting at the heart of Umlazi Township, the fourth-largest township in South Africa. We are a diverse institution anchored in our communities and driven by our strategy statement which is: **shape and own the future**. MUT is a research-informed University of Technology with a work-integrated curriculum that seeks to provide experiential learning and exposure to professional practice.

If you are interested in engineering, natural sciences, or management sciences, MUT has a place for you. Regardless of who you are, where you come from, or where you want to go from here, as a MUT student you will be valued as an important part of our family. Our students and academic staff represent a diverse group of South Africans and Africans from across the continent and outside the African borders.

FACULTY OF ENGINEERING

FACULTY OF ENGINEERING

Engineering programmes are about the design and production of useful products and services. Engineers and engineering technicians convert scientific knowledge into successful advancement using technology. At MUT we offer diplomas in Chemical, Civil, Surveying, Electrical, Building, and Mechanical engineering. Pursuing your engineering qualification, you will be required to move beyond the classroom and get hands-on training in the Laboratory and in the field through Work Integrated Learning (WIL).

MINIMUM SUBJECTS REQUIRED:

- English | Maths | Physics
- All at 50% and above
- Further departmental screening processes

ACADEMIC PROGRAMMES

Qualification	Minimum requirements	CAO Code
Diploma: Chemical engineering	Mathematics 4 Physical Science 4 English 1 st Additional 4	MN-M-DCE
Diploma: Civil engineering	Mathematics 4 Physical Science 4 English 1 st Additional 4	MN-M-DCV
Diploma: Building	Mathematics 4 Physical Science 4 English 1 st Additional 4	MN-M-DBU
Diploma: Electrical engineering	Mathematics 4 Physical Science 4 English 1 st Additional 4	MN-M-DEE

Qualification	Minimum requirements	CAO Code
Diploma: Mechanical engineering	Mathematics 4 Physical Science 4 English 1 st Additional 4 Eng Graph & Design 4	MN-M-DME
Diploma: Surveying	Mathematics 4 Physical Science 4 English 4	MN-M-DSV

ADVANCED PROGRAMME

Advanced Diploma in Chemical Engineering

The minimum admission requirement for admission to the Advanced Diploma programme is an appropriate diploma at NQF 6 or a bachelor's degree in Chemical Engineering.

APPLICATION PROCESS

WHERE AND WHEN TO APPLY?

All first-year applications to study at MUT are submitted through the Central Applications Office (CAO) online at www.cao.ac.za/apply. This is a simplified way of applying for more than one programme, using one application form, and paying a single application fee. You can track the progress of your application by going to www.cao.ac.za and enter your CAO number, or sending an email to enquiries@cao.ac.za or call +27 268 4444.

Applications open in January and close on 30 September with late applications accepted until 30 November.

Please Note: Late applications accumulate a fee determined by the CAO.

MUT MY FIRST CHOICE!

The number of spaces for first-time entering students is around 3500 across all faculties. By the end of October, we receive over 80 000 applications for first-time entering students. The selection process is quite difficult and without a doubt, we select those that chose MUT first, provided they meet our selection requirements.

Each year, thousands of students ask us why they should apply on time and make MUT their first choice. Here are some of the reasons:

- **Making MUT your first choice is the ultimate way to demonstrate your interest in MUT.** An opportunity for you to differentiate yourself from the rest of the crowd.
- **Competition is keen.** Each year MUT receives over 80 000 applications. Putting us first gives your application a better chance for consideration.
